

The #1 global network

Extensive reach. Award-winning customer care.

Our global company

Our customers are the world's largest network operators, enterprises with business-critical connectivity as well as cloud and content providers. Arelion has grown organically, i.e. without acquisitions, and on its own infrastructure.

HQ
Stockholm, Sweden

Customer base
Customers in 129 countries

Operations
Across North America, Europe and Asia

- We are a great fit for multinational enterprises that:**
- Have global needs, with business in Europe, NA and Asia
 - Require a responsive provider who can offer a secure and reliable network connection and smooth transition towards cloud

Our Customer Service Center (CSC) is staffed only by engineers and 80% of trouble tickets are resolved by frontline staff

Arelion's network footprint

- 30+ years in the carrier industry
